"Membumikan" Al-Quran by M. Quraish Shihab

M. Quraish Shihab

Buku ini adalah karya seorang pakar tafsir dan ilmu-ilmu Al-Quran dalam upaya kerasnya memancarkan kilau cahaya sudut-sudut penting "intan" yang dikandung Al-Quran. Berasal dari enam puluh lebih makalah dan ceramah yang pernah disampaikan oleh penulisnya pada rentang waktu 1975 hingga 1992, tema dan gaya pembahasan buku ini terpolakan menjadi dua bagian. Di Bagian Pertama, secara efektif dan efisien, penulis menjabarkan dan membahas pelbagai "aturan main" berkaitan dengan cara-cara memahami Al-Quran. Di Bagian Kedua, secara jenial, penulis mendemonstrasikan keahliannya dalam memahami, sekaligus juga mencarikan jalan keluar bagi problem-problem intelektual dan sosial yang muncul di dalam masyarakat dengan berpijak pada "aturan main" Al-Quran. Meskipun belum semua problematik di seputar studi-studi Al-Quran, keislaman, dan kemasyarakatan terungkap "Membumikan" Al-Quran secara menyeluruh, buku ini diharapkan dapat mengantarkan para peminat studi Al-Quran pada khususnya dan studi keislaman pada umumnya untuk melangkah lebih jauh dan terarah. Sebuah buku penting dan langka di bidangnya, serta ditulis oleh seorang pakar yang juga langka di bidangnya.

Selama ini masyarakat muslim Indonesia sudah ada minat dan kecintaan mendengar ayat-ayat Alquran. Itu misalnya terlihat dari "Membumikan" Al-Quran kaset-kaset yang dijual atau dalam acara-acara keagamaan yang selalu diperdengarkan ayat-ayat Alquran, baik melalui kaset maupun melalui qari/qariah. Hanya saja, ini kan memang belum sampai ke sana (kepada kecintaan Alquran yang sebenarnya--red). Karena itu, kecintaan terhadap Alquran semestinya lahir dalam wujud kecintaan mengamalkan "Membumikan" Al-Quran ajaran-ajaran Alquran. Nah, kecintaan mengamalkan Alquran akan lahir sedikitnya dari dua faktor. Pertama, apabila ada pemahaman terhadap kandungan Alquran itu sendiri. Kedua, kecintaan mengamalkan Alquran itu akan timbul bila ada bukti konkret tentang keistimewaan isi Alquran. Bila kedua hal ini ada, insya Allah kecintaan mengamalkan Alquran itu akan lahir dan tumbuh berkembang. Alquran itu kan berinteraksi dengan masyarakat. Alquran turun dalam suatu masyarakat yang berbudaya. Allah SWT mengajarkan manusia, mengajarkan ayat-ayat-Nya dengan mengaitkan dengan kondisi masyarakat yang ada, sehingga lebih jelas apa maksud ayat-ayat itu diturunkan. Kendatipun kita dapat mengatakan, tidak setiap ayat ada sebab rincinya, akan tetapi semua ayat berkaitan dengan kondisi sosial masyarakat. Karena itu, orang harus memahami ayat Alquran itu pertama sesuai dengan kondisi saat itu, lalu dianalogikan dengan kondisi masyarakatnya sekarang untuk mengambil hikmah/pelajaran.

Membumikan Al Quran
