A Century of Premiers: Salisbury to Blair

Dick Leonard

through the process the 20th century, nineteen males and one woman--from the 3rd Marquis of Salisbury to Tony Blair--have occupied the post of leading Minister of the United Kingdom. In a chain of biographical essays, Dick Leonard, a number one political journalist and previous MP, recounts the situations that took them to the head of "the greasy pole", probes their own and political strengths and weaknesses, assesses their functionality within the best place of work and asks what lasting impression they've got had.

A Century Of Premiers Salisbury To Blair
