Around Haledon: Immigration and Labor (Images of America: New Jersey)

Angelica M. Santomauro

via 1908, while Haledon grew to become autonomous from Manchester Township, hundreds of thousands of southern and Japanese immigrants settled within the borough and its surrounding area. Immigrants came across paintings in cloth mills, computer shops, and different industries situated in proximity to the town of Paterson and the Passaic River and its effective nice Falls. Land promoters spurred domestic construction in Haledon, a streetcar suburb. In 1913, approximately 25,000 employees went on strike, hard an eight-hour workday. in the course of the six-month strike, Haledon turned the workers' haven at no cost speech and meeting as they demanded more secure workplaces, a residing wage, and an finish to baby labor. Archival photographs, documents, and postcards from 1890 to 1930 proportion the tale of employees and immigrants who fought for the office merits commonly loved through American citizens today.
