Beyond the Scene: Landscape and Identity in Aotearoa New Zealand

James E. Stephenson

If a kingdom might be stated to have a dominant passion, New Zealand's will Beyond the Scene: Landscape and Identity in Aotearoa New Zealand be its landscapes. pictures of impressive common positive factors pervade the media - within the pages of sleek coffee-table books, in tourism promotions, and on motion picture monitors because the atmosphere for blockbuster videos - yet are those scenes that outline its people? For past the Scene, eleven recognized writers from various disciplines were requested to discover the various meanings of panorama through picking person who was once vital to them and writing approximately it from the point of view in their lifestyles adventure and knowledge. From farmer to paintings historian and picture critic, geographer and planner to lawyer, from panorama architect to poet and environmentalist - those are different voices. each one author discusses a really assorted landscape, together with Auckland's southern suburbs, rural Waikato, a deliberate city in Canterbury, much-filmed Otago, Taranaki's iconic volcano, and more. Together, they examine the connection panorama has to identity, community, and psyche.
