There's successful guy concentrating on the heads of Detroit's automakers, and his identify is Remo Williams. now not the orphaned Remo Williams, erstwhile cop who mastered the martial paintings of Sinanju in carrier to CURE. This different Remo Williams is ready 20 years older. unusual that he's additionally from New Jersey and in an analogous line of work. who's this murderer and why is he utilizing Remo's name? the full state of affairs places therapy on edge, and Remo could eventually need to make a choice from Chiun—the grasp who has taught him everything—and the pro killer who stocks his name. Remo Williams is The Destroyer, an all-American cop recruited—through hugely unorthodox methods—to serve in CURE, a covert executive organization. proficient within the esoteric martial artwork of Sinanju through his elderly Korean mentor, Chiun, Remo is America's final Blood Ties (The Destroyer #69) defensive position opposed to mad scientists, prepared crime, historical undead gods, and anything that threatens the Constitution. An action-adventure sequence leavened with social and political satire, the Destroyer novels were exciting readers all over the world for decades.

Remo as opposed to himself.
