AMERICAN WOMEN OF MYTH, LEGEND, AND TALL TALE

ROBERT D. SAN SOUCI ~ BRIAN PINKNEY

INTRODUCTION BY JANE YOLEN

---

# Cut from the Same Cloth: American Women of Myth, Legend, and Tall Tale

Robert D. San Souci

a suite of legends from diversified parts of the rustic beneficial properties fifteen of America's little-known heroines, resembling Molly Cotton-Tail, Brer Rabbit's shrewd permanent sister. by Cut from the Same Cloth: American Women of Myth, Legend, and Tall Tale way of the writer of The conversing Eggs.

the USA is graced through the strength, Cut from the Same Cloth: American Women of Myth, Legend, and Tall Tale bravery, and crafty of many lady heroines, yet we seldom pay attention their stories. This assortment introduces lots of them; there are tales from the Chippewa, Anglo Americans, African Americans, Pueblo, Tewa, Mexican American, Miwok, Eskimo, and Hawaiian. each one story, followed via a well-researched introduction, is advised with the rhythm and cadence one may count on from a storyteller sitting around a campfire. most likely my favourite of these, due to my fondness for river lore, is the tale of Sal Fink, the daughter of Mike Fink. in line with San Souci, the tales of Sal Fink, "thrilled American[s:]... from the 1820s during the 1840s" and provides us a glimpse of what it was once like sooner than the appearance of the steam boat. This tale tells many of the feats she was once credited for, and of the way she defeated pirates who had captured her single-handedly. It used to be stated that her victory cry can be heard from the "headwaters of the Ohio to the mouth of the Mississippi." The prints of Brian Pinkney's engravings are energetic and motion, and the whimsy of the fashion does good to aid Cut from the Same Cloth: American Women of Myth, Legend, and Tall Tale the power and wonder of the stories. this can be a useful assortment for the study room for lots of reasons. First, there are representations from such a lot of different cultural groups, and with out pretense. Second, the tales specialize in women, who're hugely unrepresented within the mainstream canon, specifically in folklore and tall tales. Further, those tales are informed with accuracy, in an exceptionally Cut from the Same Cloth: American Women of Myth, Legend, and Tall Tale enticing voice, and every of them have an creation that places the tale in cultural and old context. San Souci's resource notes and bibliography offer an intensive wealth of information, which additionally makes this e-book compatible as a leaping off aspect for college kids to almost certainly make a undertaking of discovering one other tall story or legend and creating a school room publication of the tall stories that curiosity them, or which are geographically or culturally particular to them.
