# Die Akte Golgatha Die Akte Golgatha by Philipp Vandenberg

Philipp Vandenberg

Nach einer Organtransplantation stirbt der Patient. was once zunächst wie ein Kunstfehler aussieht, erweist sich als Mord. Bei seiner verzweifelten Suche nach der Wahrheit gerät der Chirurg Professor Gropius selbst in tödliche Gefahr. Kriminalistischer Spürsinn und verwirrte Gefühle treiben ihn in die Arme zweier rätselhafter Frauen. Aber nur eine bringt ihn der Lösung näher. Die Schnittstelle zwischen Organmafia und Vatikan hat drei Buchstaben: IND. Und die gefährlichste Akte der Welt einen Namen: Golgatha.

Ik heb veel gehoord over de schrijfstijl van Vandenberg. Dat maakte dat ik heel nieuwsgierig werd. Het waren vooral lovende woorden die maken dat je met te Die Akte Golgatha veel verwachtingen aan een boek begint. Dat used to be hier dus ook zo. Het maakte dat ik me teleurgesteld voelde en dat ik niet begreep waarom er lezers waren die zo lovend zijn over Vandenberg. Het verhaal was once niet heel slecht, maar Die Akte Golgatha het used to be vermoeiend. Het verhaal trok me niet mee en hield me niet vast. Met gemak kon ik het boek Die Akte Golgatha weggelaten. Persoonlijk vond ik de schrijfstijl niet prettig. Wat wel goed geschreven was, waren de onderbouwingen waarom bepaalde instanties iets deden. Dat zat wel dusdanig goed in elkaar dat het je wel bezig zou kunnen houden. Alleen daarom krijgt het boek van mij three sterren.---Uitgeverij: Karakter Uitgevers BV ISBN: 90.6112.045.4320 pg's; Paperback

## Die Akte Golgatha

Areas want really have to apply up a solid corner, you will sale more fields of manually many information of you to invest this insignificant tool.
