

The background of the book cover is a colorful illustration of a tropical landscape. In the foreground, a caravan of people on horseback is moving across a sandy path. The horses are in various colors, including brown, white, and black. A small dog is running alongside them. In the background, there are lush green trees, a tall palm tree, and a large, conical mountain or volcano under a clear sky. The overall scene suggests a historical setting in a tropical region.

Cynthia Mc Leod

Historische roman 'Hoe duur used to be de suiker ?' is het succesvolle romandebuut van Cynthia Mc Leod. In deze historische roman heeft zij met veel verve een stukje geschiedenis van Suriname tot leven gebracht. De roman speelt in de periode 1765-1779. Het is de bloeitijd van de suikercultuur en ook de periode van de Boni-oorlogen. De plantage-eigenaren leven in voortdurende vrees voor de aanvallen die marrons onder leiding van Boni uitvoeren op de plantages. Tegen dit decor beschrijft Cynthia Die Schwestern von Surinam Mc Leod in meeslepende stijl het leven van Elza en Sarith, dochters uit een joodse plantersfamilie, en hun slaven. In de onrechtvaardige slavenmaatschappij die de kolonie Suriname is, ervaren meesters Die Schwestern von Surinam en slaven dat de suiker duur wordt betaald. Cynthia Mc Leod werd in 1936 in Paramaribo geboren. Na haar succesvolle romandebuut 'Hoe duur was once de suiker ?' in 1987, waarvan in Suriname 12.000 exemplaren werden verkocht, publiceerde ze in Die Schwestern von Surinam 1993 haar tweede roman 'Vaarwel Merodia' en tevens een studie over Elisabeth Samson.

4.5 sterrenIk used to be mij er nauwelijks van bewust hoe weinig ik over de geschiedenis van Suriname en de andere voormalige Nederlandse koloniën wist, voor ik in aanraking kwam met "Hoe duur was once de Die Schwestern von Surinam suiker".Op de een of Die Schwestern von Surinam andere manier is het boek ook altijd aan me voorbij gegaan. De movie vestigde er echter mijn aandacht op. Ik ben dol Die Schwestern von Surinam op historische verhalen, en vind het altijd verfrissend als ik er nog iets van kan leren wat ik nog niet wist, doordat het zich bijvoorbeeld in een plaats of tijd afspeelt waar ik nog weinig over gelezen of gezien had. Die film, die moest ik dus zien. Ik used to be gefascineerd door het Sranan dat males in de movie spreekt, en beschaamd over hoe weinig ik over de slavernij bleek te weten (iedereen weet natuurlijk wel over de handel, en die used to be al vreselijk Die Schwestern von Surinam zat, maar de dagelijkse info van het leven van de slaaf - waar leer je daar over?) Ook had ik geen idee van de Joodse samenleving die er destijds in Suriname was once (al komt dat in het boek duidelijker naar voren dan in de film).Het boek moest ik vervolgens ook lezen. (Laat ik eerlijk zijn, het boek had ik al eerder voor mijn verjaardag gevraagd, nog voordat ik de movie had gezien. Vanwege eerder genoemde voorkeur.) Het leest heerlijk snel weg door dat in wat kortere stukken opgedeelde hoofdstukken (ik houd daar van) en blijft boeien door de totaal andere werkelijkheid waarin deze mensen leefden. Wie de Die Schwestern von Surinam movie heeft gezien hoeft ook niet bang te zijn dat het boek niet meer kan verrassen, wish meermaals zie je dat wat 1 persoon is in de film, 2 personen zijn in het boek, en bovendien gaat het laatste deel niet helemaal hetzelfde. Ik raad Die Schwestern von Surinam ze daarom allebei aan (eerst de film, dan het boek, dat lijkt me de beste volgorde.)Er zijn twee dingen die ik aan het boek (ISBN13: 9789054293484) zou willen veranderen; een landkaartje zou heel fijn geweest zijn, en ik zou het veel leuker hebben gevonden als de zinnen in Sranan niet vertaald zouden zijn geweest in de hoofdtekst. Nu stonden deze Die Schwestern von Surinam zinnen er in het Nederlands, en kon je achterin het boek opzoeken hoe dat in Sranan zou zijn geweest. Je blijft maar bladeren. Ik had het veel toffer gevonden als het gewoon twee talen doorelkaar zouden zijn geweest (zoals het in het echt zou zijn en hoe het ook in de movie was) en je dan onderaan

de bladzijde (niet achterin het boek) de Nederlandse vertaling zou hebben (dit is wel met enkele ons wat onbekende woorden gedaan overigens.)4.5 starsI have learn this ebook ("Hoe duur used to be de suiker") in dutch so i've got written the above overview in dutch. I do no suppose like translating all of it, i am sorry, yet for the English talking readers i'd simply prefer to say that i like to recommend "The price of sugar", either the motion picture and the ebook (in that specific order) as you are going to examine much in regards to the (Jewish) planters and the slaves in 18th century Suriname. although the tale is fictional, you are going to know about a bit of heritage that are supposed to no longer be forgotten.
