# El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection

Lee Strobel

during this brief book, the writer outlines overwhelming arguments in want of the physically resurrection of Jesus counting on 3 major parts of evidence: the scientific evidence, the absence of a physique within the tomb and the eyewitness debts El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection of His appearances after His loss of life at the cross. Written from his standpoint as a journalist and attorney, this e-book constitutes essentially the most robust and powerful apologetic El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection guns in this topic to be had to date.

The Christian religion hinges at the resurrection of Jesus. with out it, the religion is in useless (1 Corinthians 15:17). This booklet is like a condensed model of Gary Habermas and Michael Licona's ebook "The Case for the Resurrection of Jesus." There are four elements to the book: Part 1 explains writer Lee Strobel's own trip as atheist-turned-Christian who was once an investigative journalist (also former legislations measure from Yale) for the Chicago Tribune newspaper. After appearing out in many dangerous methods in entrance of his El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection spouse and daughter, his spouse El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection grew to become a Christian, which had a huge effect on her perspective and activities as 1 Peter 3:1-7 teaches. As a result, he went to church and had a favorable experience, which led him to make use of his investigative talents into deciding upon if there particularly used to be any fact in the direction of what was once all being claimed. He then claims that the Gospel author Luke the physician, is like a first century investigative reporter, that's why Lee chooses to exploit this Gospel particularly to ascertain the evidence. Part 2 contains Luke's Gospel account of Jesus' dying and resurrection, together with a few excerpts from Strobel's "The Case for Christ learn Bible." half three deals a quick interview among Strobel and [previously mentioned] Licona during which they talk about the 'Minimal Facts' argument, which strives to El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection maintain people's biases in check. This process does this by considering evidence that meet criteria: 1) There has to be very robust historic facts aiding them and 2) The facts has to be so robust that the majority of students at the subject--including skeptical ones--accept those as ancient facts. Licona addresses 5 facts: 1) Jesus was once killed via crucifixion, 2) Jesus' disciples believed that he rose and seemed to them, 3) The conversion of the church persecutor Paul, 4) The El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection conversion of the skeptic James, Jesus' part brother, and 5) Jesus' tomb used to be El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection empty. half four contains Lee Strobel's own account of ways he El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection replaced and the way others can swap in the event that they are confident by means of the proof supplied relating to Jesus' resurrection from the dead, because the Gospel writers indicate. Also during the book, there are short interviews from scholars, who proportion their services in a variety of fields El Caso de La Resurreccion: A Journalist Investigates the Evidence for the Resurrection to help

---

Strobel's conclusions. Then comes the Appendix, such as the opposite Gospel bills of Jesus' resurrection (Matthew, Mark, and John). subsequent comes a short transcript from The Committee on Bible Translation (from the hot overseas model (NIV), which broadcasts how they went approximately compiling the NIV translation, that is from 1983. the very last thing integrated within the ebook bargains a one-page account approximately what God has been doing in Lee Strobel's lifestyles on the grounds that turning into a follower of Jesus. This publication is among the top condensed model of the Bible, in addition to Habermas and Licona, and diverse different students assisting the proof for the subject that adjustments EVERYTHING. do not fail to notice this because it has ramifications for the remainder of your life, and on into eternity!
