Ed McBain

Ed McBain's final installment within the 87th Precinct sequence reveals the detectives stumped Fiddlers (87th Precinct #55) by means of a serial killer who doesn't healthy the profile. A blind violinist taking a smoke break, a cosmetics revenues rep cooking an omelet in her personal kitchen, a faculty professor trudging domestic from class, a clergyman considering retirement within the rectory garden, an previous girl out strolling her dog—these are the doubtless random goals shot two times within the face. yet such a lot serial killers don't use guns. so much serial killers don't strike 5 occasions in weeks. And so much serial killers' prey proportion whatever greater than being over fifty years of age. Now it falls to Detective Steve Carella and his colleagues within the 87th Precinct to determine what—or whom—the sufferers had in universal

earlier than one other physique is found. With trademark wit and hot dialogue, McBain unravels a secret and examines the goals we chase within the darkening hours prior to the fiddlers have fled.

C'était il y a plus d'un an, le juillet five juillet 2005. L'écrivain new-yorkais Ed McBain, seventy eight ans, tirait sa révérence et fermait à jamais l. a. porte d'un "87 e District" qu'il avait entrebâillée cinquante ans plus tôt, achevant une des plus formidables sagas du roman policier sur un dernier livre, "Jouez violons", récemment publié. L'histoire de "87e District" tient du coup de génie. Fiddlers (87th Precinct #55) Au milieu des années 50, alors qu'il n'est encore qu'un jeune auteur prometteur (il vient de Fiddlers (87th Precinct #55) signer le roman Graine de violence, que Richard Brooks adapte à l'écran peu de temps après), Ed McBain, contacté par un éditeur pour créer une série policière, choisit une path audacieuse et totalement novatrice : substituer au héros traditionnel du polar (le détective) l'ensemble des flics d'un commissariat. L'inspecteur d'origine italienne Carella, l'agent de patrouille Bert Kling, l'inspecteur Meyer Meyer et les autres deviennent les personnages Fiddlers (87th Precinct #55) familiers d'une poignante comédie humaine, dans le cadre d'une ville imaginaire, Isola, qui ressemble comme deux gouttes de béton à l. a. Grosse Pomme. Le succès de "87e District" dépassera toutes les espérances (plus de a hundred hundreds of thousands de livres vendus !). l. a. saga inspirera "Hill road Blues" (Capitaine Furillo), une des premières grandes séries policières modernes de los angeles télé américaine. Et durant un demisiècle, plus de cinquante romans imposeront Ed McBain comme un des monstres sacrés du roman noir américain. Jusqu'à "Jouez violons", ultime enquête des inspecteurs d'Isola dont le titre musical, loin des pesanteurs d'un requiem, révèle, comme souvent chez McBain, l. Fiddlers (87th Precinct #55) a. légèreté et l'élégance d'une fugue. l. a. dernière. Epok, l'Hebdo de los angeles Fnac.
