

The image features a variety of fishing lures and hooks scattered around the central text. On the left, there is a long, slender lure with a hook at the bottom. At the top left, a simple hook is shown. To its right is a fly lure with several feathers. On the right side, there is a lure shaped like a fish with a hook at the top, and below it, a lure with a tassel. In the center, there is a lure with a wide, flat, arrow-like head and a hook. Below that is a long, thin lure with a hook. At the bottom left, there is a large, bushy fly lure. In the bottom center, there is a simple hook. To its right is a bobber, a small lure with a feather, and a complex lure with multiple hooks and a long tail.

Fighting the Whales; Or Doings and Dangers on a Fishing Cruise

R.M. Ballantyne

a few of the earliest books, quite these relationship again to the 1900s and before, at the moment are super scarce and more and more expensive. we're republishing those vintage works in affordable, excessive quality, smooth editions, utilizing the unique textual content and artwork.

this can be one of many few Ballantynes that's written in first individual narrative. This booklet follows a penniless, fatherless boy as he is going to sea to make cash for his mother. It comprises numerous academic elements concerning the harvesting of oil from whales.
