

GETTING TO KNOW THE CHURCH FATHERS

An Evangelical Introduction

BRYAN M. LITFIN

Getting to Know the Church Fathers: An Evangelical Introduction

Bryan M. Litfin

Augustine. Tertullian. Origen. For too many Christians such names are abstract, one-dimensional legends, harmless voices from antiquity now not proper to fashionable wishes and concerns. However, a better examine those church fathers finds writers whose reflections at the apostolic teachings edify all generations of believers. Bryan Litfin is helping readers comprehend the fathers as people who cared deeply approximately conserving the center tenets of the Christian faith, *Getting to Know the Church Fathers: An Evangelical Introduction* and debunks misconceptions approximately their spiritual prestige and remedy of Scripture. An unveiling of those ten personalities demonstrates how a lot the fathers can educate us concerning the doctrines of our religion and the iconic group of which we're a part.

Bryan Litfin holds a Bachelor's measure in Print Journalism from college of Tennessee, a Master's measure in ancient Theology from Dallas Theological Seminary, and a Ph.D in historical Church historical past from collage of Virginia. He has taught at Moody Bible Institute in Chicago given that 2002 within the fields *Getting to Know the Church Fathers: An Evangelical Introduction of Theology, Western Civilization* (from the traditional in medieval periods), and Church History. as well as authoring this book, Litfin has released numerous scholarly articles and *The Chiveis Trilogy*, a fictional story of a post-apocalyptic land the place Christianity now not exists. Litfin explores the the existence occasions of *Getting to Know the Church Fathers: An Evangelical Introduction* the church fathers of Christianity. Focusing particularly on ten *Getting to Know the Church Fathers: An Evangelical Introduction* fundamental church fathers (Ignatius, Justin, Irenaeus, Tertullian, Perpetua, Origen, Athanasius, Chrysostom, Augustine, and Cyril), in a sense, Litfin takes readers during the formative occasions of every father's faith, in addition to their contributions to early Christianity. Litfin offers the fathers of their entire humanity - what their shortcomings were, besides their greatnesses, to aid Christians this day pay attention to who *Getting to Know the Church Fathers: An Evangelical Introduction* the church fathers have been and why they have been instrumental within the progress and unfold of Christianity. Litfin's exam the church fathers is thorough, but hugely opinionated and unusually absolute in events that won't inevitably be often called whole fact. Litfin offers underlying arguments during the masking of the church "fathers" of his most well liked theology, being considered one of alternative theology. Additionally, it seems that Litfin ignores numerous martyrs and influential leaders that may be thought of church fathers and focuses exclusively on his most popular "top ten," of which one is technically no longer a "father" and lots of of them appear to have little to no total heritage with the Christian church (such as Perpetua and in a few ways, even Ignatius). Litfin's selection to advertise the great works of those fathers, and in a few cases, the sainthood of them, is very traumatic whilst contemplating the lives the members lived. Litfin offers the early church in this type of demeanour that it sounds as if to be exclusively one in every of chaos, inebriety, and corruption. Litfin's paintings isn't really prompt for introductory readers of the Christian religion and will merely be stated for complicated reports of church history. whereas he does a good task of a correct depiction of the past, it will possibly purely fill the reader with remorse of the formation of the Christian church. Litfin turns out to *Getting to*

Know the Church Fathers: An Evangelical Introduction Getting to Know the Church Fathers: An Evangelical Introduction glorify the works of his most sensible ten founders of the faith. whereas indicating their weaknesses, he glosses over them and exhibits their accomplishments as outweighing them. Litfin does an exemplary activity at exhibiting the humanity, either unfavourable and positive, of the church fathers, regardless of the constrained quantity reviewed and maybe now not the simplest choice to consider. In all, this e-book is a fascinating read, no matter if a discouraging one for the heritage of Christianity.

Getting To Know The Church Fathers An Evangelical Introduction

The one is to earn over the records how Getting to Know the Church Fathers: An Evangelical Introduction not you do is free housing.
