Grace, Talent, and Merit by Anthony J. La Vopa

Anthony J. La Vopa

This publication specializes in "poor students," younger males in eighteenth-century Germany who owed their reports to charity, who shaped a considerable minority in the theology faculties, and who entered careers within the clergy, the educational schools, and the universities. Professor I. a. Vopa exhibits how a cluster of ordinary eighteenth-century principles approximately grace, talent, and advantage formed a formative social adventure principal to the lives of many celebrated intellectuals in addition to a number of the elite.

Grace Talent And Merit
