FOURTH EDITION
Completely Revised and Enlarged

MICHAEL H. DAY

Guide to Fossil Man by Michael H. Day

Michael H. Day

Michael H. Day's advisor to Fossil guy is the traditional reference paintings on hominid is still stumbled on on the significant palaeolithic websites in the course of the world. This fourth version now contains info Guide to Fossil Man of fifteen new sites, in addition to new proof from thirty-four formerly identified websites featured in past versions of the book. Day starts with an advent to the anatomy of human fossils. He then describes the forty-nine websites in Europe, the close to East, Africa, the center East, Asia, and Oceania that experience yielded the main major details at the improvement of hominid species and the looks of early man. Grouped geographically, each one website description contains information at the hominid remains, different reveals Guide to Fossil Man equivalent to instruments and animal bones, the neighborhood geology and modern geomorphology and ecology, and relationship and different Guide to Fossil Man references. websites featured for the 1st time during this version contain Kow Swamp and Mungo in Australia; Dali and Maba in China; and West Turkana in Kenya, which contained the virtually entire skeleton of Guide to Fossil Man a boy decided to be 1,600,000 years old. Short essays on difficulties linked to neandertal, australpithecine, and Homo erectus continues to be are included, in addition to a glossary, a geological time scale, charts and complete illustrations. Day's consultant to Fossil guy is worthwhile not just for operating palaeontologists, palaeolithic archaeologists, and actual anthropologists, but in addition for an individual attracted to human evolution.
