# Hilda Boswell's Treasury of Children's Stories: A New Anthology of Stories for the Young

Hilda Boswell's Treasury of Children's Stories: A New Anthology of Stories for the Young  
Boswell

Hilda Boswell picked and illustrated a number of well-known tales -- or a part of them -- for children, hoping they are going to be remembered forever. Between others, you could find: "The tale of Fairyfoot" by Frances Browne (from Granny's tremendous Chair), "Lucy in Narnia" by CS Lewis, a part of Chronicles of the Narnia, "Tom" by Charles Kingsley (from Water Babies), "The Substitute" by E.B. White (part of the Stuart Little story), "The highway to Dover" by Charles Dickens (part of the tale of David Copperfield), "Through the Fire" by Mary de Morgan, "The Snow Child" by Nathaniel Hawthorne, in addition to "The egocentric Giant" by Oscar Wilde.

Buku dongeng dari jaman SD. Gue suka banget buku ini. Isinya terdiri dari kumpulan cerita anak-anak yang diilustrasi dengan sangat bagus oleh Hilda Boswell. Ga bosan-bosan bacanya dan bikin gue penasaran pengen baca cerita lengkapnya seperti apa (karena sebagian cerita dalam buku merupakan penggalan dari cerita yang lebih panjang), misalnya "Kisah si Kaki Peri" karya Frances Browne (dari Kursi Ajaib Nenek). Buku ini bisa dibilang salah satu harta karun gue yang masih terus terjaga dengan baik. My precious. ;)

## Hilda Boswell's Treasury of Children's Stories: A New Anthology of Stories for the Young Children's Stories: A New Anthology of Stories for the Young
