# Indian Women and French Men: Rethinking Cultural Encounter in the Western Great Lakes

Susan Sleeper-Smith

a middle of the profitable fur exchange during the colonial period, the good Lakes area was once an incredible web site of cultural in addition to monetary alternate among local and eu peoples. during this well-researched study, Susan Sleeper-Smith makes a speciality of a frequently disregarded point of those interactions -- the function performed by means of Indian girls who married French Indian Women and French Men: Rethinking Cultural Encounter in the Western Great Lakes traders. Drawing on a wide variety of basic and secondary sources, she exhibits how those ladies used a number of capacity to barter a center floor among disparate cultures. Many have been converts to Catholicism who built difficult mixed-blood kinship networks that paralleled these of local society, therefore facilitating the combination Indian Women and French Men: Rethinking Cultural Encounter in the Western Great Lakes of Indian and French values. by means of the mid-eighteenth century, local ladies Indian Women and French Men: Rethinking Cultural Encounter in the Western Great Lakes had prolonged those relations linkages to fur alternate groups during the nice Lakes, not just bettering entry to the region's hugely prized pelts but in addition making sure secure delivery for different goods. Indian ladies and French males depicts the stumble upon of previous global and New as a longer means of indigenous model and alter instead of one in every of clash and inevitable demise. by way of serving as agents among these worlds, Indian girls who married French males helped attach the nice Lakes to a larger, increasing transatlantic economic climate whereas securing the survival in their personal local culture. As such, Sleeper-Smith issues out, their reports light up these of different conventional cultures compelled to Indian Women and French Men: Rethinking Cultural Encounter in the Western Great Lakes evolve to market-motivated Europeans.
