Islam Beyond Conflict: Indonesian Islam and Western Political Theory

Azyumardi Azra

The case of Indonesia means that Islam Beyond Conflict: Indonesian Islam and Western Political Theory the customers for governance reform in response to Islamic ideas are larger than such a lot current literature suggests. This quantity explores the level to which average Indonesian Islam is ready to assimilate major thoughts from Western political theory. The essays during this collection, recommend that thoughts from Western political thought fit with a liberal interpretation of Islamic universals and that such universals can shape Islam Beyond Conflict: Indonesian Islam and Western Political Theory the foundation for a latest method of the safety of human rights and the articulation of a contemporary Islamic civil society.
