Seyyed Hossein Nasr

this is often essentially the most very important writings of the writer with regards to the come across and interrelation Islam dan Nestapa Manusia Modern among Islam and modernism. Islam dan Nestapa Manusia Modern Addressed straight away to Muslims and Westerners, the writer offers intensive with the highbrow and non secular hindrance of contemporary guy in addition to the dilemmas of the modern Muslim confronted with the daunting problem of the fashionable world. He charters a direction for mutual figuring out among Muslims and conventional parts of Western society in addition to providing, at the foundation of Islamic sapiental doctrines, standards for judging numerous aspects of modernism. the location of Islam within the modern Muslim international is handled severely and within the postscript the writer meditates upon the way forward for Islam and the Islamic global in gentle of the unparalleled demanding situations which the trendy international poses for Muslims.

manusia yang menderita adalah manusia yang hidup di pinggiran lingkaran eksistensi. Pusat eksistensi adalah Yang Bathin, Pinggiran eksistensi adalah yang Zhahir. Hanya dengan menggunakan rasionalitas (humanisme) kental yang diagung- agungkan kaum Barat, manusia tidak akan dapat menuju transformasi religious menuju pusat eksistensi- menjadi manusia yang utuh (al insanil kamil).Philosophically brilliant. Versi indonesianya= Islam dan nestapa manusia moderen.
