Jornada del Muerto: Texas - 1841 by Richard Merrill Dalton Jr.

Richard Merrill Dalton Jr.

a glance at a present map of recent Mexico, following the Rio Grande south from Albuquerque to Socorro then leaving the river and drawing a right away line Jornada del Muerto: Texas - 1841 to El Paso, unearths the realm classified "Jornada del Muerto"—the trip of the dead. To traverse this desolation turned the destiny of an excursion despatched via Mirabeau B. Lamar, moment president of the Republic of the of Texas, who, in his grandiose plans, sought after not just to formally declare the territory of the Republic to the Rio Grande at Santa Fe, but additionally to overcome the entire territory to the Pacific. This tale recounts these wonderful plans and their depressing demise. writer Biography: Jornada del Muerto: Texas - 1841 RICHARD MERRILL DALTON, JR. a local Texan through 4 generations can hint his relations again to the signing of the Texas " announcement of Independence" at Washington-on-the Brazos in 1835. A professor and pupil of history, he studied the background of the Southwest on the college of latest Mexico and has grasped the spirit of the world in his book: JORNADA DEL MUERTO TEXAS 1841 . a unique in accordance with George Wilkins Kendall's diary of the ill-fated "Santa Fe Expedition." The heritage of the Southwest within the early 19th century and the philosophy of Jornada del Muerto: Texas - 1841 "Manifest Destiny" is woven into the thesis of this novel approximately that quest for greatness aspired via President of the Republic of TEXAS : Mirabeau Bonaparte Lamar. the need to have a rustic which stretched from sea to shining sea. His visions of grandeur have been more than his Republic's budget. The 1836 holiday with Mexico had left the Texans in a digital crossfire among the Republic of Mexico, the United States, Europe and the Comanche during this novel of international intrigue and the hunt for the riches of Santa Fe and the Pacific Coast.
