## La chatte by Colette

Colette

Lorsque qu'Alain épouse Camille qu'il aime depuis toujours, il emmène sa chatte adorée, Saha, dans l'appartement conjugal. L'exubérance de sa jeune femme heurte les anges pudeur d'Alain qui ne peut s'empêcher d'admirer au contraire l. a. grâce de Saha. Camille en éprouve une frustration qui rapidement les anges dévore et tourne au drame...

J'ai tenté, pendant les lectures de cet étrange roman, d'identifier l. a. symbolisme de la chatte : est-elle une représentation de l. a. beauté (comme dans l'expression "Beauty is a snoozing cat"), de l'éternel féminin (comme pour Baudelaire), du savoir mystique (comme pour Nerval), de l'ange gardien de l. a. maison (comme pour les Romains) ou tout simplement elle représente une déité, à honorer et admirer (comme pour les anciens Égyptiens)?

Motor vehicle pour Alain, dès l'instant qu'il l'achète à une exposition féline, elle est tout cela et encore plus: « Ce n'était pas seulement une petite chatte que j'apportais. C'étaient les anges noblesse féline, son désintéressement sans bornes, son La chatte savoir-vivre, ses affinités avec l'élite humaine... » Et pourtant, "La chatte" n'est pas autant l'histoire de Saha, les anges chimère d'Alain, que l'histoire de sa profonde et complète misogynie, le vrai thème du roman. Et l'extraordinaire expertise de Colette est de présenter graduellement cette incapacité du jeune homme d'aimer une femme, sans l'identifier à un idéal qui est pour le moment, sa chatte; c'est-à-dire, La chatte loin de regarder Saha comme une femme, il tolère Camille seulement en l. a. "félinisant". D'où sa imprécise inquiétude «chaque fois qu'il laissait ensemble, seules, ses deux femelles...»

Le contraste entre l'amour de Camille et l'indifférence de son fiancé est présent dès les premières pages du roman. Si pour elle il est le prince charmant auquel elle rêvait depuis son enfance comme autrefois les petites paysannes de leur seigneur du château, pour lui elle n'est qu'une petite bourgeoise banale et un peu vulgaire malgré ou peut-être à raison de son argent qui d'ailleurs joue une grande valeur dans sa décision de l. a. marier: «Alain l'écoutait sans ennui et sans indulgence. Il les anges connaissait depuis plusieurs années et les anges cotait à son prix de jeune fille d'aujourd'hui.»

Une scène révélatrice est, dans ce contexte, celle où il l. a. examine avec son ombre projetée sur le mur: «"Qu'elle est belle sur le mur! Juste assez étirée, juste comme je l'aimerais..." (...) Il se reprocha mollement ensuite son inclination à aimer, en Camille, une forme perfectionnée ou motionless de Camille, cette ombre, par exemple, un portrait, ou le vif memento qu'elle lui laissait de certaines heures, de certaines robes...». Il est déjà évident que l. La chatte a. vrai ennemie de Camille n'est pas Sacha mais sa propre féminité, avec tout ce qu'elle a de terrestre, motor vehicle Alain est, dans le fond, dégoûté de l. a. chair, de les anges sensualité, de les anges sexualité et n'est nullement flatté du désir que l. a. fille despatched pour lui, au contraire: «Alain voyait qu'elle cherchait dans l'air, vaguement, les anges body spray d'un corps blond, à peine couvert et dont il jugea secrètement qu'elle n'avait pas assez peur.»

Après leur superior nuit d'amour, il est vexé de l. a. nudité que sa femme défile avec toupet devant ses yeux et il lui demande de s'habiller en pensant cruellement qu'elle a «un dos de femme de ménage».

D'ailleurs, vite après «ce La chatte demi-succès, ce demi-désastre...» qui est leur best rencontre sexuel, il va quitter le lit conjugal pour un canapé où il peut s'endormir avec Sacha sur sa poitrine, comme il faisait avant de se marier. Il les anges quitte non seulement pour aller

retrouver sa chatte, mais aussi parce que pour lui le sexe est quelque selected de mundain, La chatte de sale: «- Saha n'est pas ta rivale, dit Alain simplement. "Comment serait-elle ta rivale ?", poursuivit-il en lui-même. "Tu ne peux avoir des rivales que dans l'impur..."» Peu à peu, l'image de Camille se dégrade et start à agresser sa vue et son goût: «...il souhaite qu'un fessier dix-neuf cent, librement développé au-dessous d'une taille déliée, compensât los angeles petitesse acide des seins de Camille» , puis son odorat: «Tu es comme l'odeur des roses (...) tu ôtes l'appétit.», jusqu'à ce que «ses sens, l'un après l'autre, abusaient Alain et condamnaient Camille». D'ici à los angeles peur que los angeles jeune femme va l'annihiler, le dévorer, ne reste qu'un pas: «Elle s'engraisse à faire l'amour... Elle engraisse de moi.» Finalement, même son désir pour elle, assez faible La chatte d'ailleurs, s'éteint à jamais: «...elle ne pouvait pas comprendre que l'humeur sensuelle d'un homme est une saison brève, dont le retour La chatte incertain n'est jamais un recommencement.» Après sa tentative de tuer los angeles chatte, elle devient tout simplement «la meurtrière» dont il se débarrasse sans regret. Le retour à l. a. maison (à son Eden body of workers qu'il n'a jamais voulu que Camille profane) est comme une fête pour Alain. Il se rend finalement compte qu'il ne l'a jamais aimée et qu'il ne pourra jamais aimer une femme. Son amour pour sa chatte est l'amour pour un idéal, qu'il sait bien qu'il ne retrouvera pas ailleurs : « Après toi je serai sans doute à qui voudra... À une femme, à des femmes... Mais jamais à un autre chat. » Il s'agit bien-sûr d'un amour épouvantable par sa manque d'humanité, d'une monstruosité dont Camille finit par s'en apercevoir, même si elle ne sait pas très bien remark l'expliquer quand elle comprend qu'il ne los angeles pardonnera jamais: « Si j'avais tué, ou voulu tuer une femme par jalousie, tu me pardonnerais probablement. » l. a. dernière picture du livre met encore une fois en évidence La chatte le contraste entre l'apparence et l'essence, ou peut-être entre l'humanité de l. a. bête et l. a. cruauté humaine: Saha regarde le départ de Camille «aux aguets, humainement» tandis qu'Alain «à demi couché jouait, d'une paume adroite et creusée en patte, avec les premiers marrons d'août, verts et hérissés. »
