LES LIAISONS
DANGEREUSES

A new translation by Douglas Parmée

Les Liaisons Dangereuses by Pierre Choderlos de Laclos

Pierre Choderlos de Laclos

The complicated ethical ambiguities of seduction and revenge make *Les Liaisons dangereuses* (1782) the most scandalous and arguable novels in European literature. The topic of significant movie and level adaptations, the novel's major movers, the Vicomte de Valmont and the Marquise de Merteuil, shape an unholy alliance and switch seduction right into a video game - a online game which they need to win. This new translation offers Laclos a latest voice, and readers may be capable to pass judgement on no matter if the unconventional is as "diabolical" and "infamous" as its critics have claimed, or no matter if it has a lot to inform us in regards to the type of global we ourselves dwell in. David Coward's advent explodes myths approximately Laclos's personal existence and places the booklet in its literary and cultural context.

L'umanità non è perfetta in nessun caso, né nel male né nel bene. Il malvagio ha le sue virtù come l'onesto ha le sue debolezze. Romanzo epistolare?? MEEEEEEEEH! Personaggi cretini e innamoramenti lampo?? in keeping with carità, piuttosto strappatemi gli occhi! Eppure.. Cinque stelle, e-book nella cartella dei most sensible e copia cartacea ordinata :3 Il merito della riuscita del romanzo va sicuramente alla formidabile coppia Visconte di Valmont/Marchesa de Merteuil che ho amato tantissimo! Ora: mi rendo conto di quanto ciò mi renda una personalità immorale e cattiva.. Perché i due libertini sono veramente personaggi negativi, amorali, scorretti, falsissimi e pronti a vendere l. a. propria madre pur di ottenere il loro piacere e il loro divertimento. Non hanno rispetto according to *Les Liaisons Dangereuses* niente e nessuno e GIURO, in una situazione diversa mi avrebbero irritato e avvelenato come non mai.. Dunque, bisogna creare delle difficoltà a questo bell'eroe da romanzo, altrimenti si addormenta nella felicità. Però capitemi: i restanti personaggi sono così stupidi, così idioti, così morti di sonno e così perdutoamente insulsi che mi avrebbero fatto avvelenare alla terza lettera e sbattere los angeles testa al muro.. Sarei arrivata alla superb del libro? Ma nemmeno morta, mi avrebbe ucciso prima in step with l. a. noia -_- Avrei preferito di gran lunga che il romanzo fosse stato composto esclusivamente delle lettere tra il visconte e l. a. marchesa - frizzanti, intelligenti, sagaci, cattive e subdole - anche se ovviamente los angeles storia può essere ricostruita solo con i contributi degli altri idioti personaggi.. los angeles maggior parte di esse sono nation un'agonia, un continuo "MA los angeles VUOI SMETTERE CON QUESTE LAGNE?? TI VUOI RIPRENDERE? IL FREDDO DELLA SIBERIA, TI CI VOLEVA in step with TEMPRARTI..." al piagnone e disadattato di turno. Cécile è una povera disadattata sociale. E no, non me l. *Les Liaisons Dangereuses* a. bevo il "Povera stellina, è giovane e inesperta, guarda che amore puccipucci".. Cioè, è promessa in sposa advert uno (IL TOP: evaluate nel romanzo con una sola lettera in cui cube che il cugino fa un viaggio di due mesi in Italia e che lui lo accompagna.. Quindi CIAONE e sposta il matrimonio XD), 'ama' un altro a cui giura amore 4evah e nel frattempo - così, in keeping *Les Liaisons Dangereuses* *Les Liaisons Dangereuses* with fare esperienza e prendere dimistichezza - si fa il visconte. Alla faccia del "Nooooooooo il mio cuore ti appartieneeeee". E che dire del dolcissimo e inesperto amante di Cécile? Dolcino lui, il cuore gli si spezza quando sembra che Cécile non possa ricambiare il suo amore ma poi.. los angeles tradisce come se niente fosse. Perciò, amico mio, cerchiamo di aver riguardo della sua sensibilità e nascondiamole i miei torti; non in line with ingannarla ma in line with non

addolorarla. [Vigliacco che non sei altro!] Tutta brava gente, mi dicono! La conquista della Presidentessa de Tourvel Les Liaisons Dangereuses è SUBLIME. Lo so che dovrei sentirmi offesa come esponente del genere femminile di fronte al modo in cui los angeles donna è stata usata e ingannata ma.. Come cube il saggio, It takes to Tango. Quindi bella.. Chi è causa del suo mal pianga sé stesso! E Valmont è geniale, che tocca fare! IL MOMENTO CLOU è quando il visconte e l. a. marchesa si dichiarano guerra. Vulcano Vs Tornado.. Prendete i popcorn! Pierre Choderlos de Laclos - nonostante il finale che *£\$%%U\$U£B* mi ha fatto troppo arrabbiare mi ha conquistato con los angeles sua scrittura - intelligente, moderna, accattivante - e con il suo coraggio di presentare quest'opera nel suo secolo.. Mamma che darei in keeping with trasportarmi lì e vedere los angeles reazione di tutta los angeles gente (finta) perbene del tempo!! Ma che capriccio ridicolo. Ci si riconosce los angeles vostra testa balorda che non sa desiderare se non ciò che crede di non poter ottenere. Lui voleva a tutti i costi fissare un giorno according to tornarci, ma mi piace ancora troppo in line with consumarlo tutto in un colpo. Ci si posson permettere degli eccessi solo con le persone che si voglio no lasciare presto. Sentite, mia bella amica, finché vi barcamenate tra molti uomini, non sono in step with niente geloso; vedo allora nei vostri amanti soltanto dei successori Les Liaisons Dangereuses di Alessandro, incapaci di conservare tutti insieme quell'impero su cui io regnavo da solo. Ma che voi vi concediate interamente a uno solo, e che esista un altro uomo felice come me, questo non sperate che possa sopportarlo! O riprendete me, o almeno, prendetene un altro; Ma che razza di insolenza proterva ha quest'uomo che osa dormire tranquillo mentre los angeles Les Liaisons Dangereuses donna che ha offeso non si è ancora vendicata? Certo, ricevo M. de Valmont, ed egli è ricevuto dovunque, ma questa è una delle tante, delle mille incoerenze che reggono l. a. società. Sapete come me, che si passa l. a. Les Liaisons Dangereuses vita a notarle, criticarle, e a esserne schiavi. M. de Valmont, che ha un nome importante, una grande fortuna e molte gradevoli qualità, ha Les Liaisons Dangereuses capito subito che in step with aver successo basta dosare con uguale abilità l'adulazione e il sarcasmo. Nessuno possiede come lui questa duplice prerogativa: con los angeles prima seduce, con los angeles seconda incute timore. Non lo stimano, ma lo adulano. il giorno stesso le ho combinato un incontro col suo Danceney; ma figuratevi che lui è così stupido che non è ancora riuscito a ottenere nemmeno un bacio. Eppure quel ragazzo scrive dei versi graziosi. Mio Dio, che bestie queste persone intelligenti! In realtà, se il primo amore sembra, in genere, più onesto o come si cube più puro, se va avanti tanto lentamente non è, come si pensa, according to sensibilità o timidezza, ma perché il cuore stupito da questo sentimento sconosciuto si ferma, according to così dire, a Les Liaisons Dangereuses ogni passo in step with godere dell'incanto che prova e questo incanto è così sconvolgente in line with un cuore ancora intatto che lo riempie tutto, al punto da fargli dimenticare ogni altro piacere. Comunque, decidetevi, perché ho ricevuto un invito urgentissimo dalla contessa di B... Vuole che vada a trovarla in campagna e mi dice, in modo molto divertente, che suo marito possiede il più bel boschetto del mondo e lo conserva con estrema cura perché i suoi amici si divertano. Ora sapete che ho qualche diritto su quel boschetto e andrò a rivederlo, se non vi sono utile. D'altra parte, è bene abituare a forti contraccolpi chi si vuol destinare a grandi Les Liaisons Dangereuses avventure. Ho trovato due biglietti: uno della madre e uno della figlia; non ho potuto trattenermi dal ridere leggendo in tutte e due questa stessa frase: «Solo voi potete darmi qualche conforto!» Non è divertente, infatti, consolare una parte e l'altra ed essere l'unico Les Liaisons Dangereuses agente di due interessi così decisamente contrastanti? Ecco gli uomini: tutti mascalzoni allo stesso modo quando si tratta di a ways progetti, ma chiamano onestà l. a. loro debolezza nell'attuarli. Dov'è un merito che sia

veramente vostro? Avete un Les Liaisons Dangereuses bell'aspetto, ma è dovuto al caso; modi garbati, ma l'abitudine li conferisce quasi sempre a tutti; certo siete dotato di spirito, ma una parlantina supplirebbe benissimo al caso; una gran faccia di bronzo, ma solo forse conseguenza dei vostri primi successi, ecco, se non mi sbaglio tutti i vostri pregi; perché, consistent with quel che riguarda l. a. celebrità che siete riuscito a conquistare, non pretenderete, spero, che io tenga in gran conto l'arte di saper creare uno scandalo o di cogliere l'occasione in line with approfittarne. Credetemi, Visconte, si acquistano raramente le qualità di cui non si ha stretto bisogno. Combattendo senza rischi, potete agire senza precauzioni. consistent with voi uomini le sconfitte non sono che un successo in meno. In questa partita disuguale, los angeles fortuna, in keeping with noi donne, è di non perdere, l. a. sfortuna, in keeping with voi, è di non vincere. Ma pretendere che io mi sia info tanto da fare in keeping with non raccogliere alcun frutto, che dopo essermi tanto innalzata al disopra delle altre donne a prezzo di penosi sforzi, io acconsenta a strisciare come loro tra l'imprudenza e los angeles timidezza; che soprattutto debba temere un uomo al punto da non vedere altra salvezza se non nella fuga, no, Visconte, mai. Bisogna vincere o morire Quanto a Prévan, voglio averlo e l'avrò. Lui vorrebbe raccontarlo a tutti e non lo farà. Dopo averci riflettuto difatti non mi capacito di aver avuto l'idea di portare a termine un'avventura senza aver in mano qualche elemento in line with rovinare l'eroina. Sapete che questa avventura mi occupa da quasi più di due mesi? Sì, due mesi e tre giorni. Conto anche domani, perché solo allora sarà presumibilmente consumata. Questo mi ricorda che M. lle de B... ha resistito tre mesi interi. Sono molto contento di constatare come los angeles scoperta civetteria si difende meglio dell'austera virtù. Che piacere avrei di vendicarmi! Ma los angeles ritroverò questa perfida donna: riprenderò il mio dominio su di lei. Se l'amore mi è stato sufficiente in keeping with trovare i mezzi, che cosa non saprà fare aiutato dalla vendetta? In verità, più vado avanti Les Liaisons Dangereuses più sono convinto che al mondo non ci siamo che io e voi a valere qualche cosa. Osa trattarvi come l. a. donna preferita, vi insegna quello che morivate dalla voglia di sapere! Davvero questi modi sono imperdonabili. E voi, da parte vostra, volete conservare l. a. vostra onestà consistent with il vostro innamorato (che non ne abusa!); voi dell'amore amate solo le sofferenze, non i piaceri. Niente di meglio! Stareste benissimo in un romanzo. Passione, disgrazia e virtù consistent with giunta. Quante belle cose! Tutti questi brillanti ingredienti, in verità qualche volta annoiano, ma fanno sempre il loro effetto. Per quel che serve un marito; uno vale l'altro; e il più scomodo è sempre meno fastidioso di una madre. Forse mai, prima di lei nessuna ragazza è riuscita a conservare tanta innocenza pur facendo così bene tutto Les Liaisons Dangereuses ciò che occorre in line with disfarsene. Sapete, Visconte, perché non mi sono mai risposata? Non certo in step with mancanza di buoni partiti, ma esclusiva mente perché nessuno avesse il diritto di trovar da ridire sulle mie azioni. E nemmeno perché abbia avuto paura di non poter fare quel che volevo, avrei sempre finito col fare di testa mia, ma perché non sopportavo che qualcuno avesse il diritto di lamentarsi, insomma volevo tradire solo perché garbava a me e non in step with necessità.
