# **Limelight: A Greenwich Village Photography Gallery and Coffeehouse in the Fifties, a Memoir**

Helen Gee

within the overdue 1950s, Limelight was once the busiest coffeehouse in big apple and the one images gallery within the country. this can be the tale of Helen Gee's efforts to open Limelight and her struggle to maintain it afloat for seven years. the key figures in images look during this tale -- Edward Steichen, Robert Frank, W. Eugene Smith, Berenice Abbott, and others -- and so do the massive occasions of the period: the outlet of The kin of Man, the e-book of The Americans. Gee has her personal own tales as well, elevating her Asian American daughter alone, facing a landlord with underworld ties, bookies who did company within the corridor of her house house, and dealing with unwelcome advances, quixotic employees, and suicidal photographers. This can be a portrait of a Limelight: A Greenwich Village Photography Gallery and Coffeehouse in the Fifties, a Memoir time whilst Greenwich Village was once a middle of inventive activity, whilst actors, writers, painters, and photographers have been a part of a burgeoning coffeehouse scene. images as an artwork shape used to be getting into its own, and Limelight Gallery made heritage with a few seventy shows. the tale of its seven years is fun and heart-breaking, interesting and unusually packed with adventure.

This was once one of these nice book. So fascinating to determine how people, whose love of photography, or any medium, courses them to open galleries. earlier than Helen Gee opened her restaurant/gallery, there have been Limelight: A Greenwich Village Photography Gallery and Coffeehouse in the Fifties, a Memoir virtually no galleries that had desirous about photography, yet she helped driven the medium ahead as a call for collectors. there have been nonetheless many years yet to come - even after Limelight closed, earlier than images was once thoroughly accredited as an "art" form. whereas the lives of artist are marvelous to examine for his or her drama, creativity, and inspiration, these of the patrons, curators, artwork dealers, and Limelight: A Greenwich Village Photography Gallery and Coffeehouse in the Fifties, a Memoir critics are both fascinating, as they're the movers and shakers of the arts. not just do they bring in the artists by means of aiding to create an atmosphere the place the artists are supported, yet they assist to improve the cultural origin for a society. within the end, however, galleries are a business, and this ebook permits the reader to work out the method and comprehend Limelight: A Greenwich Village Photography Gallery and Coffeehouse in the Fifties, a Memoir the labor and frustration involved.
