Maggie's Retreat by Marie Bush Pinschmidt

Marie Bush Pinschmidt

MAGGIE'S RETREAT is a sequel to the author's profitable first novel *guy at the BALCONY*, a continuation of the lives of Maggie (an finished artist), and Brad (a doctor), every one striving to make a distinction in an unsettled world. Their endured love tale brings them head to head with the misdirected early life of today, Alzheimer's disease, and a capturing that just about destroys everything. This ebook exhibits that medical professionals may have a lifestyles open air of medication and a winning artist does not have to reside in a NYC loft. even though Maggie and Brad's goals have come true, they locate there is not any secure position or assured destiny of their small town. Their house is invaded through a younger guy however the come across proves to be an unforeseen blessing while Maggie's Retreat Maggie and Brad may be able to chart his direction in a unconditionally varied direction. Maggie's dream of operating an artist retreat additionally got here precise yet now not with out demanding situations after being stuck up within the own lives of the artists. simply while Maggie's hopes have been merging and expanding, her complete lifestyles was once shattered via a taking pictures at Brad's clinic, leaving a lifestyles putting within the balance. The taking pictures catapulted him into nationwide fame, a spot he had no wish to be. Courage, love, and resolution paved their means not just for survival, Maggie's Retreat yet introduced them unforeseen joy. MAGGIE'S RETREAT stands by itself as Maggie's Retreat a novel, yet those that enjoyed *guy at the BALCONY* won't are looking to omit the intriguing twists and turns within the persevered saga of Maggie and Brad. The author's descriptive prose and experience of tale will pride you. She is now engaged on her 3rd novel, *SPANISH MOSS*, so remain tuned.
