Emilio Lussu

«Non pretendo di scrivere la storia del fascismo: io narro solo alcuni episodi legati alla mia vita... Il fascismo che io descriverò è il fascismo che ho visto sorgere, progredire, affermarsi... oggi ciascuno di noi porta con sé non solo idee ma anche e soprattutto passioni. Noi possiamo offrire la nostra testimonianza e Marcia su Roma e dintorni le nostre impressioni: agli altri, il giudizio». Emilio Lussu

In ventidue capitoli, brevi ma ricchi di informazioni, Emilio Lussu con un tono dolente e sarcastico insieme Marcia su Roma e dintorni racconta ciò che ha visto e subito dal 1919 al 1929, anno della sua avventurosa fuga da Lipari con Carlo Rosselli e Fausto Nitti: il sorgere e il dilagare del fascismo, soprattutto in Sardegna, manovre politiche, agitazioni Marcia su Roma e dintorni di piazza, determine camaleontiche e macchiette popolari. A cominciare dai questori, giornalisti, deputati, professori, sindacalisti, voltagabbana, descritti da Lussu nel loro tragico spessore. Un documento Marcia su Roma e dintorni imprescindibile rivolto in particolare alle nuove generazioni, che testimonia del contesto nazionale e delle sorti dell'Italia nel decennio di maggior abbruttimento civile della nostra storia e che rivela la forza di chi ha lottato fino all'ultimo, anche negli anni del dopoguerra, a favore di una sinistra democratica.

Valori praticità umanità coraggio Se dovessi dare un voto alle opinioni e alla character con alti valori fortemente coerente coraggiosa, Marcia su Roma e dintorni ma anche pratica darei un 10. Los Angeles character è una di quelle che mi appassiona. Il suo stile è tipico di quelle che veramente hanno vissuto emozioni forti (la prima guerra mondiale vedere gente che ti muore vicino) pertanto hanno un modo dolce pacato che mi scalda il cuore a differenza di chi vuole essere volutamente provocatorio e viscerale e che di contro mi lascia indifferente. Il voto però deve tenere conto dello stile e dell'abilità narrativa che è tipicamente discorsiva piacevole ma non eccelsa ecco perchè più di four stelle non è a mio avviso corretto assegnarli.
