Red, White and Blue: The Story of the American Flag

Grosset & Dunlap Inc.

to be used in colleges and libraries only. Describes how the yankee flag got here into being, the way it has replaced over the years, and its value because the image of our country.

This was once an informative e-book for my 8-year-old. It touched on many stuff in brief Red, White and Blue: The Story of the American Flag so he would not be bored yet nonetheless might study the fundamentals Red, White and Blue: The Story of the American Flag of ways the united states flag got here to be. "Our flag has plenty of nicknames--like outdated Glory and the Red, White, and Blue. occasionally it is referred to as the celebrities and Stripes. yet the place did our flag come from? Who determined what it'll glance like? if truth be told that nobody is familiar with for sure." Some of the issues that have been mentioned: the US prior to it used to be a country, why the folks determined to struggle for his or her freedom, and the way a flag used to be wanted after the yankee Revolution. Betsy Ross and why humans imagine she made the 1st flag. Different flags the colonists used until eventually 06/14/1777 while a choice was once made to take advantage of just one flag with thirteen purple and white stripes plus thirteen white stars. yet Congress did not say the place every thing needed to move at the flag so a few humans made the stripes vertical, a few horizontal. a few had a small quarter for the stripes and a wide quarter for the stars. The conflict of 1812 and Francis Scott Key. In 1818, Congress declared how the flag may formally look. The Red, White and Blue: The Story of the American Flag Civil struggle and the accomplice flag. Different locations the flag is flown.
