# Romeo und Julia auf dem Dorfe by Gottfried Keller

Gottfried Keller

>>... zuweilen stellt das Schicksal ein Exempel auf und läßt zwei solche Äufner ihrer Hausehre und ihres Gutes zusammentreffen, die sich dann unfehlbar aufreiben und auffressen wie zwei wilde Tiere. Denn die Mehrer des Reiches verrechnen sich nicht nur auf den Thronen, sondern zuweilen auch in den niedersten Hütten und langen ganz am entgegengesetzten Ende an, als wohin sie zu kommen trachteten, und der Schild der Ehre ist im Umstehen eine Tafel der Schande.<<

Gottfried Keller è uno scrittore con una vena poetica mirabile, che in questo racconto emerge spesso e incanta: Romeo und Julia auf dem Dorfe vi sono descrizioni dei paesaggi svizzeri da incorniciare, scene di vita campestre pacifica e operosa, vi sono soprattutto dolcissime scene d'amore tra Vrenchen e Sali, i due Giulietta e Romeo svizzeri (Shakespeare poco c'entra se non come punto di riferimento in keeping with lo svolgimento della storia che richiama quella della rivalità tra le famiglie dei due innamorati culminata nella decisione di un amore eterno), che si conoscono da bambini giocando insieme nei campi dove accompagnano i rispettivi genitori, proprietari di due terreni limitrofi divisi da uno incolto, appartenente forse a un violinista folle e senza patria, che Romeo und Julia auf dem Dorfe diventerà oggetto della discordia tra i capifamiglia, così uniqueness da gettare le famiglie nella miseria e nel degrado. L'amore nascerà anni dopo, quando oramai l'odio tra le famiglie è diventato modo di vivere e di pensare, è un veleno che ha invaso il sangue degli adulti, fortunatamente lasciando che il sorriso e los angeles stretta di mano di una bellissima fanciulla innamorata della vita e lo sguardo aperto e luminoso di un giovanetto inesperto alla vita ma aperto all'amore si incontrino candidamente ma Romeo und Julia auf dem Dorfe anche sensualmente. Questa è los angeles parte dolce, romantica, l. a. favola d'amore con purtroppo non il lieto fine. Ma vi è altro dietro le dolci scene di cui ho parlato. Vi sono significati e interpretazioni diversi che si intuiscono, alcuni, altri in step with me ben evidenti: quello che più è balzato alla mia attenzione è stato un passo in cui Keller parla della fiamma dell'onore che illumina le vite di chi operosamente lavora e pensa alla famiglia, Romeo und Julia auf dem Dorfe quella fondata sul matrimonio, unione legittima di due persone che le inserisce a pieno titolo nella società (la opulenta e solida società borghese svizzera in cui lo scrittore non riuscì mai advert inserirsi); basta poco a spegnere los angeles fiamma, basta il sorgere dell'avidità e dell'ansia di possesso, che in males che non si Romeo und Julia auf dem Dorfe dica trasformano "l'insegna dell'onore nell'emblema della vergogna". Anche los angeles favola d'amore dei due giovani viene purtroppo fagocitata nella contrapposizione che imagine esclusivamente connotati sociali e pertanto los angeles soluzione finale dei due amanti, che non potranno mai sposarsi né hanno un lavoro, hanno una through di scelta obbligata consistent with non finire tra gli emarginati, i senza patria che seguono il violinista folle: restare legati nel loro amore oltre los angeles vita, lasciando che los angeles fiamma dell'onore rimanga accesa non in questo mondo ma nelle acque profonde del fiume in cui nessuno li separerà.
