# Shout To The Lord When You Can't Shout

Glen Dunnam

On Monday, December 1, 1986, Glen Dunnam virtually misplaced his lifestyles in Shout To The Lord When You Can't Shout a "three-wheeler" accident. whereas on a looking expedition, Glen used to be driving his three-wheeler whilst an unseen half-inch metal cable that used to be stretched around the highway hit his neck. The cable approximately decapitated him, severing his trachea, esophagus and the nerves resulting in his voice box. Miraculously, his jugular veins and spinal wire have been undamaged. His speedy restoration baffled the medical professionals who stated his restoration was once certainly "miraculous."
