Single Mother: The Emergence of the Domestic Intellectual

Jane Juffer

lengthy perceived because the final image of social breakdown and sexual irresponsibility, the only mom is now, within the context of welfare-to-work policies, usually hailed because the new spokesperson for exertions and self-sufficiency. A dozen years after Dan Quayle denounced the tv personality Murphy Brown for making the choice to develop Single Mother: The Emergence of the Domestic Intellectual into a unmarried mom simply one other way of life choice, President George W. Bush applauded unmarried moms for heroic work, and confident on-screen representations of unmarried moms abound, from "The Gilmore Girls" to "Sex and the City" to "American Idol." Single mom describes the hot cultural valorization of this determine that during the midst of Single Mother: The Emergence of the Domestic Intellectual demographic adjustments within the united states has emerged because the not likely heroic and seductive voice of the hot American family. Drawing on her personal existence as a unmarried mother, interviews with dozens of alternative unmarried mothers, cultural representations, and regulations on welfare, immigration, childcare, and baby custody, Juffer analyzes this contingent attractiveness of unmarried mothers. Finally, critiquing the relentless emphasis on self-sufficiency to Single Mother: The Emergence of the Domestic Intellectual the exclusion of community, Juffer exhibits the striking organizing talents of those new moms of invention. At a second while one-third of all infants are born to unmarried moms, unmarried mom is an interesting and invaluable exam of those new household intellectuals. "

This terrific, shrewd permanent learn of unmarried moms is without doubt one of the most sensible cultural experiences of motherhood available.
