A GIFT JANOWAY NOVEL

The Bookwoman's Last Fling (Cliff Janeway #5)

John Dunning

As a tender man, Manhattan occasional bestselling writer John Dunning earned his residing for numerous years operating behind the curtain at the racetrack circuit. Now he brings his stories of the pony international and his services in collectible books to this spell binding new Bookman novel wealthy with the lore of either books and horses. . . . Denver bookman Cliff Janeway could have cherished Candice Geiger. She enjoyed books with The Bookwoman's Last Fling (Cliff Janeway #5) a real bookwoman's passion. Her choice of first-edition kid's books is the easiest that Janeway ever hopes to see. Sadly, Janeway and Candice Geiger won't ever meet. She died a lot too young. Now, two decades later, her books stay a testimony to a rare woman's outstanding vision. Janeway first learns concerning the juvenilia assortment whilst Candice's aged husband, H. R. Geiger, passes away and Janeway travels to their Idaho domestic to evaluate the collection. The property cannot be allotted until eventually the books are valued, so there is strain on Janeway to do the activity quickly. yet one examine the books tells Janeway something's wrong. useful titles are missing, changed through affordable reprints. different highly helpful items remain. Why may a thief take one precious e-book and go away an both useful quantity at the shelf? the reply may perhaps lie in Candice's story. The daughter of a prosperous industrialist, she married horse proprietor and coach H. R. Geiger at a tender age. They traveled the racetrack circuit with a few success, as evidenced by way of winner's-circle images -- within which Candice is usually a mysterious historical past determine wearing white. Two many years after Candice's unusual death, Janeway unearths himself deep in a e-book secret which can develop into even more than a cataloging exercise. it may possibly even contain murder. Candice's daughter, Sharon, should be one of The Bookwoman's Last Fling (Cliff Janeway #5) many few those who might help The Bookwoman's Last Fling (Cliff Janeway #5) Janeway realize the truth. Sharon has her personal Idaho ranch the place she takes in ailing and injured horses. Janeway concerns that her condo includes whatever which may make her very vulnerable: half her mother's tremendous booklet collection. the path of Candice's shadowy prior leads Janeway to California's Golden Gate and Santa Anita racetracks, the place he indicators on as a racehorse sizzling walker. A beginner at racetrack life, he attempts to stay inconspicuous whereas hearing the chatter one of the hands. He does not like what he hears. And while he is going to the home the place Candice died to appear for answers, he reveals greater than he bargained for. With its wealthy mixture of books and horses, The Bookwoman's final Fling is a vintage access in John Dunning's acclaimed Bookman sequence of suspense novels, bound to deliver this beautifully proficient writer much more accolades.

John Dunning's Cliff Janeway sequence ranks between my best favorites in mystery/detective series. while i feel of Dunning an inevitable comparability happens in my little gray cells: should you like Dick Francis you are going to love John Dunning. Why the comparison? What I frequently locate pleasant in fiction is not only the tale itself; what delights is the purchase of information on a selected subject. Dick Francis as well as handing his readers a good crafted secret delights his readers along with his thorough exam of the pony racing world. there's no doubt that once one thinks of horse racing, one thinks of Dick Francis. John Dunning accomplishes an identical by way of offering to his readers an intensive insider's wisdom of the

artwork of amassing books. whilst one thinks of antiquarian books; whilst one thinks of ebook scouts; while one thinks of avid e-book collectors, e-book scams, and e-book outlets throughout this nice nation: one thinks of John Dunning. When one stumbles throughout a author who not just can provide a superb tale but in addition infuses one with wisdom than this author has The Bookwoman's Last Fling (Cliff Janeway #5) the facility to persuade one's existence personally. For example: it used to be because of Ayn Rand's novels that my philosophical viewpoint at the global and my lifestyles in it changed. in terms of John Dunning I turned engrossed in ebook collecting: how can one omit an writer whilst my glass encased publication cases, packed with signed first variants of my favourite authors, are stuffed to the brim as an instantaneous results of analyzing Booked To Die. John Dunning isn't a guy of the pc age. His is a global of typewriters. He says: "Unlike a computer, a superb outdated handbook typewriter was once a decent machine. you probably did your work, it did its work." Is it any ask yourself than that his sentences are top-of-the-line crafted? No room for mistakes. Syntax, clauses, and magnificence fuse jointly in a Dunning ebook with absolute clarity. Dunning is a author that appeals to the mind whereas at the same time attracting secret enthusiasts along with his behind-the-scenes examine the realm of books: the ethical and moral situations that force any nice mystery, together with death. Cliff Janeway, our hero, is in lots of methods a mirrored image of the writer. right here the comparability with Dick Francis continues. the place Francis writes concerning the Queen's recreation (horse racing) due to having spent a great deal of his lifestyles as a jockey himself, Dunning writes approximately books because of having owned his personal publication shop in Denver. the place Francis writes in regards to the racing global in England the place he spent his jockey years, Dunning's protagonist Cliff Janeway, a former cop, owns a The Bookwoman's Last Fling (Cliff Janeway #5) ebook shop in Denver as well. The adage that one write "about what one knows" isn't truer with those writers. Francis's heroes are a mirrored image of the author himself: in terms of Francis we empathize with a completely honorable, moral and aim person and when it comes to Dunning we are facing our personal conflicts via a conflicted hero no longer averse to violence yet forced via a formal ethical ethic that courses the hero via his a number of delimitations. As with Dunning who struggled with ADD, being a negative student, and taking the demanding street to his personal calling, so does Janeway fight with authority, with discovering his actual calling as one reads a few cop grew to become publication collector within the Cliff Janeway novels. And eventually i must ask yourself in regards to the formulation in play here. Did Dunning bump into the proper topic inadvertently or did it happen as a mirrored image of his personal life? let's accept it, what extra compelling material for a mystery/detective sequence might have been selected than to attract the reader himself: it truly is our love of reading, our love of books The Bookwoman's Last Fling (Cliff Janeway #5) that pulls us to those pages. And relating to Dunning, our delight is doubled simply because what we're analyzing approximately is the very factor from which we draw our pleasure: the area of books. As with all my sequence reviews, if you could have learn this evaluation of the Cliff Janeway series, you could have learn 'em all.
