

## **The Encyclopedia of Bad Taste by Jane Stern**

Jane Stern

---

Alphabetically arranged, this funny compilation of undesirable flavor and mediocrity covers subject matters as diversified as fashion, music, people, places, food, furniture, automobiles, and more.

The subtitle of this heavenly concoction is: a party of yankee popular culture at its such a lot The Encyclopedia of Bad Taste joyfully outrageous. This isn't really quite a bit a e-book as an aspirin to The Encyclopedia of Bad Taste banish gloom. Of course, the USA marches on and this e-book wishes a huge replace to incorporate such sleek phenomena as big name Rehab and Autobiographies through those who should not 25 but - still, it is a significant landscape of a few really ghastly shit. For instance Aerosol cheese Boudoir images (That specified current for that targeted someone) Breasts, huge, immense (Can't mock american citizens for that, we have now this fetish over right here too, yet I cherished that there has been a web page referred to as "Breasts, enormous") Death cars Fingernail extremism ( I see that creeping in the following - now there are complete salons arising only for nails with slogans like "rake his again and make him howl with those razorsharp bejewelled babies" - no, I made that up. yet nearly) Liberace (So many facelifts he could not close his mouth) Meat snack foods "Modern american citizens purchase meat snack meals in shrink-fit plastic programs on the comfort store. They name the snacks slender Jim, obese Sausage, the large Jerk — manufacturers' phrases for sorbitol, sodium erythorbate, sodium nitrite, hydrolyzed vegetable protein, monosodium glutamate, corn syrup, and lactic acid starter tradition mixed with chunked, ground, and shaped pork and automatically deboned poultry. The time period "meat snack," like "cheese food" and "creme filling," is food-industry poetry, used to awaken ideas of meat (or cheese or cream) approximately items that comprise little or not one of the substance in question." - this quote will be written into the structure or anything like that. Genius! Mood rings Perky nuns Pet clothing Reclining chairs Waltzing waters Tammy Faye Bakker (Didja ever see a documentary known as "The Eyes of Tammy Faye Bakker"? it is a bug-eyed must-see. The stuff that negative girl went through.) Baton twirling kid's names (Which have gotten immeasurably worse given that this publication got here out - my daughter went to varsity with Bracken, Angel and DeQuayne) Cool Whip Dinosaur Parks garden adorns Panty-hose Crafts Shag Rugs Sno-Globes (yes!) The Encyclopedia of Bad Taste Unicorns and rainbows Velvet work White lipstick So : bought any of these on your house?

## The Encyclopedia Of Bad Taste
