The Great War and the French People

Jean-Jacques Becker

a The Great War and the French People well known authority within the box presents a wide-ranging exploration of the repercussions of the 1st global battle upon the French people.

Dense exam of the results of WWI at the French humans and their morale, from mobilization in 1914 to the armistice. The e-book is prepared thematically, with sections on financial struggles, information and censorship, political routine and exchange unions, the anti-war and exertions movements, the reactions of teachers, writers, and churches, the The Great War and the French People moves and drop in morale of 1917, and reactions to the armistice. Very thorough and informative book.

The Great War And The French People
