What larger diversion for a wet day? The cup of mind's eye overflows for a kinfolk of lively doggies during this comical photograph ebook from Leslie Patricelli. It's a wet day, and the Patterson domestic dogs have run out of items to do. If basically it have been sunny and warm, they can visit the beach! yet then Petra will get an idea. Indoor seashore party! Buckets! A blue-carpet ocean! The browsing and undersea diving are a blast, until eventually . . . mum and dad

seem at the shore. Uh-oh! Will a mop-brigade get together be as a lot fun? Rambunctious domestic dogs are certain to relate to this cautionary story — and be wanting to dive correct in.

whilst the Patterson doggies run out of items to do on a wet day (and to be fair, it does sound like they stored lovely busy up until eventually the ebook starts!), they choose to have an indoor seashore day...a enjoyable concept that is going a bit awry while their imaginations run prior to their universal sense. i feel my young ones particularly loved this simply because an identical state of affairs happened on The Patterson Puppies and the Rainy Day a lately watched episode of "Daniel Tiger's Neighborhood." I think there are different Patterson pups books, yet i have now not encountered them before. They have been fun, and the photographs have been vibrant and colorful. great good photo book.
