# The U.S. Forest Service: A History by Harold K. Steen

Harold K. Steen

"The United States Woodland Service" celebrates its centennial in 2005. With a brand new preface by way of the author, this variation of Harold K. Steen's vintage background (originally released in 1976) offers a wide point of view at the Service's administrative and coverage controversies and successes. Steen updates the e-book with discussions of a few fresh concerns, between them the noticed owl issue; desolate tract and roadless areas; new learn on habitat, biodiversity, and fire-prone prevention; below-cost trees sales; and place of work variety in a male-oriented field.

good work, yet being affected by somewhat id bias.

## The U S Forest Service A History
