rebirth, and the bold family whose stirring triumphs
and defeats thrust them into the forefront of a new era . . .*

The Warriors

JOHN JAKES

The Warriors (Kent Family Chronicles #6)

John Jakes

The glittering saga of our the United States - and the folk who made her great. As the Civil warfare attracts to its inevitable climax, the soldiers The Warriors (Kent Family Chronicles #6) includes the turbulent chronicle of the divided Kent relatives to far-reaching new battlefields. A gracious Southern plantation ravaged through Union sodiers because the black cry for "Jubilee"...the brightly path westward blazed via the Union Pacific Railroad, and its lusty touring cities and savage Indian raids...the plush japanese mansions of the Robber Barons - Gould, Fisk and Drew...the seething conclaves of the recent alternate unions - those are the scenes of a nation's rebirth and of the Kents' private, impassioned wars.... These are the backdrops in addition for stirring romantic entanglements. whilst younger Jeremiah Kent is tempted via a lascivious Southern belle right into a internet of lust and murder...and Michael Boyle longs for a beautiful immigrant girl, Hannah...the future of the Kent dynasty is determined on an irreversible path into the good American future. THE WARRIORS is the 6th within the Kent relations Chronicles following THE TITANS.

The Kent family members saga maintains during this sixth e-book of the series. I reread this one and the former one as a part of a Civil struggle problem however it purely jogged my memory of the way those books actually deliver our nation's historical past to a life like retelling. He has created nice characters. Jeremiah Kent matches for the Rebels within the death days of conflict and hazards existence and limb to get to the spouse and daughter of his heroic colonel who has died in basic terms to suffer the wrath of Sherman's military sweeping via Georgia. The Warriors (Kent Family Chronicles #6) Michael Boyle, a Kent in all yet name, flees the dying and destruction of battle after being wounded within the conflict of the desert to paintings at the building of the railroad throughout the USA simply to additional come across battles of one other kind. Gideon Kent after enduring years of torture in a prisoner of warfare camp and lack of a watch attempts to discover his manner helping his relations through engaged on the railroads in basic terms to determine his position as an organizer of labor, hated even though he can be for that. And Jephtha Kent leaves the newspaper company to come back to the pulpit. Louis Kent who sees himself because the rightful head of the Kent empire worms his manner into any enterprise deal which could upload to his empire and extra importantly to his energy hungry ego, yet he facets with males who're both strength grabbing maniacs. All of this is often set within the final years of the Civil battle and within the years afterwards whilst the state used to be in utter turmoil. Jakes addresses all of that head on and in addition addresses the Erie Canal sandal, the development of the transcontinental railroad, the impeachment complaints for President Johnson, etc. enjoyed it.
