War Whore by M.J. Politis

M.J. Politis

In 1933 Karen Lubinska, an idealistic, dedicated, and engaging American socialist activist/scientist, is framed for homicide and treason via greenback White. In 1941 Karen is constructing a name as White's most sensible "war whore" and given a unique assignment—get into mattress with Adolf Hitler and get information regarding his rumored invasion of Russia. Hitler does provide her the information, yet a number of unforeseen issues happen. First, she wakes as much as locate herself in a really safe German hospital. Second, he has given her the inaccurate dates, and third, she is sporting Hitler's baby. As she is still stranded at the Russian Front, the associated fee on Karen's head escalates. Her energy diminishes and she or he turns into more and more depending on her protectors. She hopes the kid she consists of has her curiosity at heart.

War Whore
