

Words Work: Activities for Developing Vocabulary, Style, and

Critical Thinking

Thomas A. Carnicelli

"Like many English teachers," Tom Carnicelli says, "I've felt my scholars may read, write, or even imagine higher in the event that they knew extra approximately words." the answer he deals could not be simpler: built-in actions within which scholars discover phrases and, on the related Words Work: Activities for Developing Vocabulary, Style, and Critical Thinking time, strengthen their language arts and pondering skills. this fashion lecturers pays extra realization to note learn - with out sacrificing different elements of the English curriculum and with no resorting to note lists and memorization. In "Verbal Charades," for example, scholars play a verbal model of charades, utilizing all of the language arts within the process; whereas "Verbal Clusters" is a weeklong set of writing and studying initiatives designed to foster in-depth figuring out of a gaggle of similar words. a 3rd job provides writing and considering initiatives to the conventional root and prefix approach to studying words. To aid lecturers use the activities, the second one component to Carnicelli's publication - a brief, nontechnical historical past of the English vocabulary - discusses the Words Work: Activities for Developing Vocabulary, Style, and Critical Thinking diversities among local phrases and borrowed (loan) words. The 3rd section, on writing style, bargains actions during which scholars study the types of phrases utilized by often-studied writers similar to Frost, Hemingway, and Thoreau. scholars additionally discover writing in numerous kinds themselves, as they research the exact benefits of a balanced style, combining the easiest good points of local and borrowed English words. The ultimate section, "Word examine and Cultural Values," goals to offer scholars larger expertise of the cultural values embodied within the phrases they come upon - in sports, clothing, food, relationships, government, education, and more. Also, in an task in line with "Bartlett's time-honored Quotations," they explore, in depth, sure key cultural suggestions resembling courage, patriotism, and nonviolence. "Words Work" could not be more advantageous or more straightforward to use. all of the actions were Words Work: Activities for Developing Vocabulary, Style, and Critical Thinking proven in heart and highschool classrooms, and there are twenty-one figures that may be duplicated as hand-outs, besides extra instructing suggestions. Included, too, are real samples of scholar work.

i admire Professor Carnicelli's Verbal Charades game! I had Professor Carnicelli as an English Professor for my Seminar in English educating direction in the course of my senior 12 months on the college of recent Hampshire. We had intriguing, funny discussions in his class.
